1. This Review Petition is directed against our order passed in writ petition No.1222/03 on 17th November 2003. According to the learned counsel appearing on behalf of the petitioner, certain factual errors have occured in the order and therefore the order is liable to be reviewed. The errors if any, are obviously an error of judgment and consequently, review is not the remedy. The proper remedy is to challenge the order in appropriate court. Hence review petition is rejected.
